Celebrating its 95th year, HeartShare is a nonprofit organization that assists more than 20,000 New Yorkers. Its wide spectrum of services assist individuals with autism spectrum disorders and other developmental disabilities through numerous programs including education services, adult day programs, residential services, case management, recreation programs, family support services, and health services. It also provides counseling, after-school programs and assistance with foster care and adoption to children and families, supports people affected by HIV/AIDS, and administers energy assistance programs.
