

## HEARTSHARE HUMAN SERVICES OF NEW YORK

The mission of HeartShare Human Services is to nurture and support, with dignity and respect, children, adults and families in order to expand opportunities and enhance lives.

HeartShare currently embraces over 36,000 at-risk New Yorkers. Its wide array of programs assist individuals diagnosed with intellectual and developmental disabilities, including autism, through programs that provide education services, adult day services, residential services, case management services, recreational opportunities, volunteer and work-ready trainings and individualized/family support services. HeartShare also provides energy assistance services for low-income households and individuals. Through its affiliates – HeartShare St. Vincent's Services, HeartShare Wellness and The HeartShare School, HeartShare also provides foster care and adoption services; after school and community/family support services; youth development and residential services; integrated health services; higher education support services and school-age programs that focus on those diagnosed with autism.

Ninety percent (90%) of all revenue goes directly to HeartShare's programs. HeartShare is accredited by the Council on Accreditation for Families and Children, as well as by the Better Business Bureau Charity Accountability Program.

For information, visit [www.heartshare.org](http://www.heartshare.org) and find HeartShare on Facebook, YouTube and Twitter.
